JULY 2023 PRAYER UPDATE

Dear prayer and financial supporters,

Thank you for praying and supporting the ministry the Lord has given us here in Honduras! You truly hold the rope as we preach the gospel and make disciples.

The Lords Table

In July, we celebrated the Lord's table for the first time since we've been here in the church in Campamento. Daniel taught on 1 Corinthians 11 and the necessity of being right with God before partaking. It was refreshing to see a young man named Cristian publicly confess his sin of fornication in front of the church. **Please be in prayer for the men of the church to be the godly and pure leaders of their homes that God wants them to be. This includes Cristian, Carlos, Jonatan, Jesus, Flaco, and Saraheem.**

Departure Of Interns

We thoroughly enjoyed hosting two Christian young ladies from Honduras in June and July. Maria and Mariela (on the left) were a huge blessing to both us personally and to the church. Although we will miss them, we are encouraged to know that one of them is planning to return in approximately 3 months.

We previously asked you to pray that the church members here would pick up the slack when the interns leave. We are excited

to announce that God answered your prayers and many of the church people signed up to serve in the nursery, children's class, church cleaning, and evangelism schedules. Please especially be in prayer for the men's Tuesday afternoon and the ladies' Friday afternoon evangelism times.

Ladies Meeting and Bible Studies

In July the ladies of Iglesia Bautista Renacer enjoyed an outing to the city of Juticalpa, which is about 1 hour away! They were able to visit a consignment shop where they purchased clothes to donate to a nearby orphanage. They were also encouraged to think about their salvation testimonies and to be able to share it with others.

Thank you for praying for the young lady Bible studies. We praise God that two young ladies named **Nahomy** and **Yissel** recently made professions of faith. **Please be in prayer for their discipleship and baptisms.**

Church Building Improvements

We were excited about continued work accomplished on the church building! In July additional work was completed on the outside wall as well as the installation of bars and windows in

the church sanctuary. Instead of looking like a large rectangular building, it now looks more like a church! We were also excited to get the church banners mounted to the inside and outside of the church with our church name, services times, and John 3:7.

Upcoming Music Conference

We are excited that Daniel's brother Jonathan is coming to Honduras with part of his family. He will be teaching a **Music Conference** on August 25-27th here at our church. We are anticipating God using this conference to get godly Christ-like music into the homes of the Honduran believers. **Please be in prayer that our church members would attend the conference faithfully with open hearts to grow into Christlikeness.**
