

## JUNE 2023 PRAYER UPDATE

Dear fellow brothers and sisters in Christ,

Thank you for your regular prayers and financial support which enables us to fulfill the ministry to which God has called us here.

### Missions Team Visit

In June a missions team from our sending church in Georgia arrived here in Honduras. We were so grateful how God opened many doors of ministry while they were here. We appreciate their work on the church building pouring concrete steps. Our pastor also preached a family

conference which God used to bring new families to our church.

The Lord provided them last minute opportunities to share the gospel to a group of around 300 high school students as well as visit a nearby orphanage. It was a great trip, and they were such a blessing to us!

## Arrival Of Interns

After the missions team left, we were blessed with the arrival of two interns. These two young ladies from Honduras have been studying in a Bible Institute a few hours away but decided to spend the summer with us. From doing evangelism together, to watching our kids while Rachel and I go on a date, to teaching multiple kids classes (including our weekly trip to the church in Juticalpa), they have been a huge help! We

are so grateful for them and are excited about what God has in store for Maria and Mariela in the future.

**Please pray for the church members to pick up the slack when the interns leave at the end of July. We will especially need help with the children's ministry.**

## Men's Meeting

In June we had our bi-monthly men's meeting which involved a fishing trip! The men enjoyed fishing in a nearby lake and afterwards we did lunch together and a Bible study. Although it is hard to reach men here in Honduras, **we are praying for God to send more men to us so they can grow in Christ and be the leaders that God wants them to be, both in their homes as well as in the church.**

## Young Lady Bible Study

Rachel has been teaching a Bible study for "muchachas" or young ladies at our house on Thursday afternoons. We are excited to see them come and hear the Word of God, knowing that it will not return void. **Please continue to pray for Angeli, Nahomy, Yisell, Karlita, Kelin, and others that they would either be saved or grow in their walk with the Lord.** These precious young ladies do not have many godly role models in their lives and many worldly temptations.
