

FEBRUARY 2024

PRAYER UPDATE

Dear brothers and sisters in Christ,

Just as the apostle Paul rejoiced in the generosity of the Philippians believers (Phil 4:10), so we also praise God for your generosity! We too desire spiritual fruit to your account.

Discipleship

We recently started discipleship with the men and women of our church on Wednesday nights. We're excited about how God is using this more interactive approach to encourage openness and participation. We are currently studying the importance of God's Word in the life of the Christian.

Please continue to pray that God would give the church members here a hunger and thirst for His Word. Pray that they would read it, memorize it, and obey it both at church and at home. Please also pray for Carlos and Flaco who are struggling with addictions and need Christ to set them free from all of their sins.

Come Away Conference

Veteran missionaries Matt and Dalita Goins host a yearly refreshment conference for Baptist missionaries in Honduras. It was a privilege to attend this conference for the first time this year. It was a blessing to hear preaching in English, as well as sing together and have fellowship with other believers.

Even though we came down with nasty colds the last day and had a flat tire on the way home, it was still worth it! Being around other missionaries and realizing you are not the only one going through a certain situation or experience was quite encouraging.

Valentine's Banquet

Near the end of the love and respect marriage course, the church hosted a Valentine's banquet for the couples that had attended. In addition to having games and door prizes, we ordered Chinese rice (very popular here) for dinner.

It was great being reminded throughout the course that husbands should love their wives as Christ loves the church and wives should respect their husbands (Ephesians 5:33). Even though Satan wants to reverse and distort the God-established order in the home, we know that God's Word is always right. We're grateful for God's blessings on this conference and hope to do it again in the future.

Men's Meeting

In February we had our first men's meeting in several months. It was encouraging to see the men come together to build a movable wood wall, built as a test with the intention of building more. The walls will also serve as a sound barrier as we try to improve the acoustics in the church building.

After the construction of the wall was done and many hot dogs were eaten, we talked about how the men can be more involved in serving the body of Christ. It was so exciting to see their enthusiasm to get involved. We have already noticed more participation and are trusting God to continue to develop the men here to be leaders in the church and in their homes. Please be in prayer that Daniel will have wisdom training and leading the men in the church.

How You Help
