

APRIL 2024

## PRAYER UPDATE

Dear prayer and financial supporters,

Thank you so much for the part you have in the work the Lord is doing here! In April, we saw several exciting changes to the church property, and through your sacrificial giving and answered prayer, we now have a van to pick up people for church!

### A New Church Van

It is not easy to find a vehicle here where the owner is honest (It is a widespread practice to change the odometer). Praise the Lord that He led us to a Christian school director in another town who was selling his Toyota van. The Lord has helped Daniel learn quickly to drive a manual, and we are also thankful to have a more comfortable ride than the back of a pickup truck right before the rainy season starts. Again, thank you so much for your great generosity toward this need. To see the bus in action, click [here](#)!

### Church Side Yard

We are also so excited to now have our own little place for our family and our church to get outside and fellowship. In April we installed sod, gravel, a playground, and a concrete slab where we could park the church van. The kids in the church have loved playing on the playground.

## Discipleship

Angeli is a sweet young teenager (pictured to the right) that has been faithfully attending the church since before we got here. She participated in a girls' Bible study last summer as well as another discipleship class we held in our home. Recently, our intern Mariela finished an evangelistic Bible study with her, and **Angeli** made a profession of faith! Praise the Lord! **Pray for her spiritual growth** as she continues to be discipled and plans to be baptized in our next baptismal service. **Pray also for a young mother named Celeste** who is going through some difficulties in her life and is currently in an evangelistic Bible study with Rachel.

## Joint Youth Activity

In April, we held a joint youth activity with Pastor Asael Briones and his church from Juticalpa. The youth were able to play, eat, and hear a gospel message as well as hold split sessions. It was a wonderful time of fellowship! **Pray that the Lord would turn the hearts of these teenagers to Himself.**
