

PRAYER UPDATE - JUNE 2024

The Bills

Missionaries to Honduras

Dear brothers and sisters in Christ,

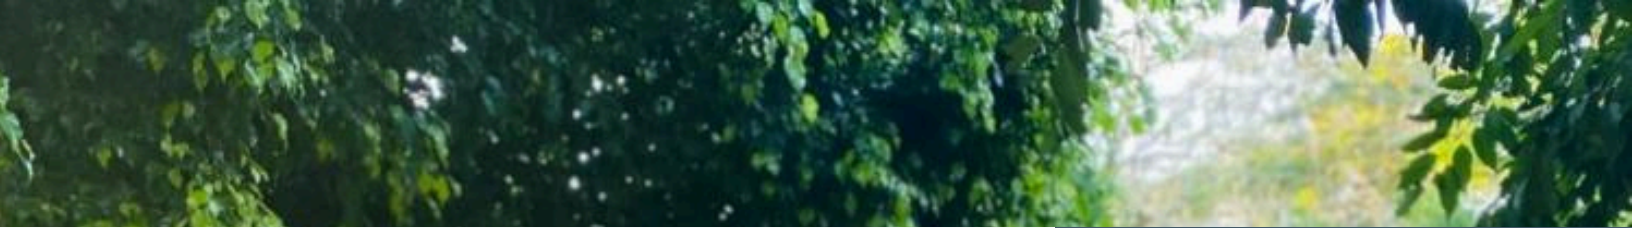

We thank God for your prayers and support so that we can share the gospel overseas. May God bless you richly!

Arrival of Mission Team

In June, we had the privilege of hosting a mission team from a supporting church in New Hampshire! We really enjoyed the Christian fellowship with them and appreciated the love they showed our children.

Not only were we personally encouraged by their presence, but we also rejoiced how God opened the doors for them to share the Gospel with hundreds of children in three different public schools. The Lord provided us with several contacts from their visit with whom we were able to follow up and share Christ. They also made additional wood walls to better partition the space in the sanctuary. We loved hosting them and hope the Lord sends additional teams to visit us in Honduras in the future.

Pastors' Meeting

In June, Daniel and several men from the church went to a Baptist Pastors' meeting in the capital city of Tegucigalpa. The church was located in a very compact neighborhood with narrow streets so just getting there safely was definitely an answer to prayer!

We enjoyed fellowship with other men of God who, despite their humble means, reflected a sincere and genuine love for the Lord. We shared prayer requests, prayed together, and then enjoyed a lunch of Tapado Olanchno soup! This is Daniel's favorite Honduran soup as it has three different kinds of meat.

6 Years of Marriage

In June, we celebrated six years of marriage! We are still very much in love and grateful in remembering how God sovereignly worked for us to meet in Honduras on Daniel's birthday. We were able to get away for our anniversary and enjoy a short break from the businesses of life.

Teaching Doctrine

Daniel has recently started teaching doctrine during Sunday School. He plans to teach through 10 fundamental doctrines of the faith and is currently teaching through the different members of the Trinity. Coming from Pentecostal backgrounds, most of the people here do not have a robust understanding of theology and need to be grounded in God's Word. Please pray that the people would be attentive and appreciate the importance of sound doctrine.

Bible Studies:

Please continue to pray for various Bible studies. Eduardo R., Karlita, and Kimberly all are being discipled. Pray that they would be faithful to attend the Bible studies and learn to follow the Lord Jesus Christ.
