

PRAYER UPDATE - JULY 2024

The Bills

Missionaries to Honduras

Dear brothers and sisters in Christ,

We are so grateful for your prayers, encouragement, and support!

Discipleship

Thank you for praying for the ongoing Bible studies with Kimberly (evangelistic) and Eduardo R (discipleship). Continue to also pray for Eduardo R.'s father, Flaco. He continues to faithfully bring his family to church but has not yet made a profession of faith.

Recently, we have had several visitors, adults as well as many children, in the church. Pray that they will listen attentively and be drawn by God to salvation.

Ladies' Meeting

In July, the ladies of our church went to the next town over for an outing. Rachel continued her study in Titus 2, addressing the topic of purity and modesty. We purposely held the meeting on the last day of the annual city fair which was the day of the carnival. Unfortunately, the carnival (and other events during the week) are extremely worldly and take up much of the attention of the town. However, we were so glad that a good group of women came out to hear what it means to be first positionally pure in Christ (justification) and then, as a result of salvation, practically pure (sanctification).

Music Lessons

Every Tuesday, we have been teaching piano, trumpet, and violin to several young people in the church. We hope that one day these teenagers can form a church orchestra and use their musical talents for the Lord!

Juticalpa

This summer, we were grateful to have the additional help of three seminary students. This past month they joined us in making trips to fill in for fellow missionary Pastor Asael Briones in Juticalpa while he was on a short furlough to the states.

Family Update

Arianna is 5 and has started homeschool kindergarten. She loves to learn as well as play with her friends in the neighborhood! Justus is 2 and is slowly improving in his vocabulary. Sometimes, as he does with the word “water”, he uses the Spanish and English words interchangeably. Chloe is 8 months and has begun to sit up and crawl. We thank the Lord for them and ask for prayer as we train and disciple them.
