Missionaries to Honduras

## Dear prayer and financial supporters,

We are so grateful for your faithful investment in the ministry the Lord has given us in Honduras! May you have much spiritual fruit that abounds to your account (Philippians 4:17).

### Short Trip to the States

In August, we made a short trip to the states. We got to spend quality time with both our families, including seeing Daniel's 93-year-old grandma and attending a family reunion with Rachel's family in TN. Since several of her siblings are also missionaries, it was amazing that all were able to be there at the same time. We thank the Lord for the safety He gave us in our traveling in or through 5 different states in a short amount of time. Another blessing was that Rachel was able to have a successful dental procedure, and we are so thankful for God's provision for that.

It was a joy to visit several supporting churches in SC and GA. We felt very appreciated at every church and were refreshed by the Christian love and fellowship. We are thankful that God has given us such solid churches to stand behind us.

### Transition Back to Honduras

We had a great time in the states, but we are happy to be back home in Honduras. We appreciate prayers as we transition back to our responsibilities.

Rachel is starting a new Bible study with two ladies who were baptized last fall. She will lead them through basic topics concerning growth for new believers. We are focusing our efforts on discipling those who are faithful and eager to learn.

Daniel is wrapping up his preaching series through the book of John and needs wisdom to know which book of the Bible to preach through next.
