Missionaries to Honduras

Dear brothers and sisters in Christ,

Thank you again for being faithful to pray for and give to our ministry in Honduras. We are so grateful for the team of fellow believers God has given us to support the work here.

Pastor's Conference

This past month, Daniel had the opportunity to go to a pastor's conference. It was a great time of fellowship and hearing God's word as well as making connections with national pastors.

Evangelism

To encourage our church members to share their faith, both in their daily personal lives and in our weekly evangelism times, Daniel spent three mid-week services in October teaching the basics of sharing the gospel. In order to be practical, several church members role played a typical conversation that we might have during evangelism. We have been encouraged to see a slight increase in attendance recently. Pray that more will come out to evangelism and for God to work in the hearts of the people with whom we share.

School Ministry and English Class

The school year in Honduras runs from February to November. We are so grateful for the privilege God gave our intern and us to teach 100+ children weekly. We hope to start up the public-school ministry again next year. In the meantime, please pray for an exciting opportunity to teach English and the Bible to the greater community in November and December. We plan to host four weekly classes and will begin passing out invitations soon.
