Missionaries to Honduras

Dear brothers and sisters in Christ,

Thank you for making it possible for us to minister here in Honduras with your faithful prayers, support, and encouragement!

Youth Camp

Thank you so much for praying for our youth camp. Our teens enjoyed being able to fellowship with Pastor Asael and the young people of his church. Activities included hiking, camping, swimming, and hearing great Bible teaching and preaching.

Baptisms

We praise the Lord for the baptisms of two of our young people, Eduardo and Sofia. Both of them gave clear salvation testimonies which were read in front of the church. We're encouraged to see their desire to get involved in the church and participate in discipleship.

Church Membership

God blessed the church membership Sunday! Several families/individuals decided to commit to the church, and while several others were not ready yet, they are continuing to attend services and have expressed interest in joining in the future. We're hopeful that God will use membership to help His people take church seriously.

Public School Ministry

The school year has started again here in Honduras! Pray for us as we teach English and the Bible to dozens of children in each classroom. Pray for the children to be receptive and for God to raise up laborers for this ministry.
